Women's Book Club

Our next read is: 'The Tattooist of Auschwitz' by Heather Morris. The 2018 book tells the story of how Slovakian Jew Lale Sokolov who was imprisoned at Auschwitz in 1942, fell in love with a girl he was tattooing at the concentration camp. The story is based on real lives; with mixed criticism towards the book.

JOY BOXES (woohoo!)

We refer to the two green boxes as Joy Boxes because: 2 Cor 9:7 says in part **"God loves a cheerful giver!"** Our Joy Boxes are for tithes and offerings, connection cards, prayer concerns, notes to staff, and pretty much anything else. If it's your first time, we aren't asking for your money—in fact we hope that our time of worship today will be a gift from God through us to you! If you are on mission with Family Bible Church—we thank God for your faithful support!
